## **Library Card Eligibility Policy**

As a member of the Bridges Library System, the Big Bend Village Library serves all residents of Waukesha and Jefferson Counties. There is no age or skill requirement for obtaining a library card.

Any Wisconsin resident may apply for a free library card after presenting a valid picture ID and proof of current residence. Children under eighteen must be accompanied by a parent or legal guardian presenting a valid picture ID and proof of current residence.

A school or business which owns or rents space in the Big Bend Village may apply for a library card by submitting a letter written on the school or company's letterhead requesting a library card for school or company use and stating that the company will assume responsibility for all library materials charged against the school or business card. The letter must bear the signature of a least one responsible school or company official.
